Sir:

In response to the Notice of Abandonment dated January 10, 2006, the applicants submit the following re-transmittal amendment of April 15, 2005 in the above-identified application.

The applicants respectfully note that an Amendment Under 37 CFR 1.111 was timely filed on April 15, 2005 in response to the standing Office Action dated January 21, 2005. A copy of the filed Amendment of April 15, 2005 is attached hereto. It is noted that the header of every page (including page 1 of 9) of the filed Amendment correctly identifies the Serial Number as --10/729,694--. Nevertheless, one inadvertent error was

discovered on page 1 of 9 of the filed amendment, on which the Serial Number was miswritten to "10/729,649" when it should be —10/729,694—. This one error is marked-up with a correction in this retransmitted copy. Nevertheless, it is respectfully noted again that every one of the nine pages (including the page 1 of 9) has been correctly identified with the correct serial number —10/729,694— in the header. Since an amendment has already been timely filed in the present application, the applicants respectfully request withdrawal of the Notice of Abandonment mailed January 10, 2006.

No fee is believed to be required with this retransmittal of an amendment already filed, but, if this is not the case, please charge the requisite fee (or credit any overpayment) to Deposit Account No. 12-0400.

Respectfully submitted,
